Mauro San Martin

Full Stack Developer

Buenos Aires, Provincia de Buenos Aires, Argentina

Extracto

I'm a passionate and adaptable Full Stack Developer with over ten years of experience designing, developing, and deploying scalable web applications and payment solutions across diverse industries. I hold a degree in Software Engineering from UADE and have worked extensively with Java/Kotlin (Spring Boot), Node.js, and modern frontend stacks. I'm driven by challenges and continuously seek to improve software architecture, code quality, and team collaboration.

Experiencia
